OO: LA

Synopsis: Close investigation administratively.

Details: On March 28, 2012, FBI Los Angeles received a report that [REDACTED] had telephonically contacted the Van Nuys, CA office of Congressman Brad Sherman and threatened, "If there was a gun, I would blow his fucking brains out" and "Take this as a threat."

On 04/17/2012, the United States Attorney's Office telephonically declined prosecution in this matter, citing the possibility that the main witness would refuse to testify.
